Smart Mind Program

Smart Mind Program is specially designed to strengthen leadership skills, creative thinking, as well as to provide students with essential tools and mindsets that help them respond to a critical question after finishing High School or University: "What next in my life?" Having these skills strengthened and mindsets developed at an early stage in their professional path will not only pave their way for a prosperous future but will allow them to make smart, conscious decisions on what to do next. Furthermore, it will protect them from the common mistake many students make as they don't figure out what they want to do until it's too late and they have wasted precious time and resources on the wrong track.

PROGRAM DETAILS

The program is articulated in 6h/day (Monday to Friday). The environment will be international and creative, and the modalities of coaching will be highly interactive, team oriented, with strong attention to individuals' passions and needs.

Accommodation in a shared room is an extra 250 euros per month

The VAT (18%) is included in the price below.

€1,404/student for Sailing
€1,038/student for English

This experience should be emphasised in your CVs as the skills obtained are amongst the top most requested skills by recruiters and employers worldwide.

PROGRAM OUTLINE
